EVE Online is by far the best Science Fiction Massive Multiplayer Online (MMO) game I have seen, and quite possibly the best MMO in general. The graphics are incredible and very pleasing to the eye, suprisingly since the game is built on technology two years old. The user interface is crisp, clean, and very easy to manage.

According to the second chapter of Genesis, Eve was created by God (Yahweh) by taking her from the rib of Adam, to be Adam's companion. Adam is charged with guarding and keeping the garden before her creation; she is not present when God commands Adam not to eat the forbidden fruit - although it is clear that she was aware of the command.
