An informal essay can be about a wide range of topics, from the deeply personal to the outwardly political. "Informal" doesn't mean that it can't also be informative or persuasive. It merely refers to the style in which the essay is written: in first-person and without necessarily having to adhere to the traditional five-paragraph structure.

An informal essay can be informative, argumentative or persuasive, yet it will not strictly follow the format of these other essay types. Informal essays possess a more relaxed writing style, personal opinion, and humor. A good informal essay is a golden mean of relaxed writing style and strong yet flexible writing structure. Informal essays is similar to personal essays because both frequently express the personal opinion of their writers.
