John Steinbeck, born in Salinas, California, in 1902, grew up in a fertile agricultural valley, about twenty-five miles from the Pacific Coast. Both the valley and the coast would serve as settings for some of his best fiction. In 1919 he went to Stanford University, where he intermittently enrolled in literature and writing courses until he left in 1925 without taking a degree.

The Pearl Quotes by John Steinbeck - Goodreads

Just before writing this novel, John Steinbeck and his friend Ed Ricketts were exploring the seacoast in terms of the ecological functions of the various organisms that existed there. It was during this exploration that Steinbeck first heard of the story of the "Pearl of the World," a large pearl which was eventually tossed back into the sea from where it was originally taken.
