U. S. Immigration in The 1900s Ser.: Journey to America ...

We need to tell the whole history of America's immigration story. We need to focus on how immigration affects not just multicultural metropolises but small towns and rural economies. And we need to reconfirm the civic heart of American identity, as well as recognising how much work needs to be done to make equal citizenship a reality.

The French colonization of the Americas began in the 17th century, and continued on into the following centuries as France established a colonial empire in the Western Hemisphere. France founded colonies in much of eastern North America, on a number of Caribbean islands, and in South America. Most colonies were developed to export products such as fish, rice, sugar, and furs.
