It focuses on the ecological frontier of ...

Multiple centres of authority : society and environment in ...

Traditional authority may suffer from a lack of moral regularity in the creation of legal standards. Third, legal-rational authority makes manifest the power of the bureaucracy over the individual. In the exercise of authority, the administration of power, laws and rules, including institutional duties and protocols, have control over individuals.

Max Weber’s 3 types of authority | Inquirer Opinion

The organisation of the corporate body created a power centre in society. The corporate body began to influence the policy making and policy implementing functions of the state authority. Thus, in a capitalist society there are at least two (and in many cases more than two) centres of power—one is state and the other is corporate.

Power and Authority: Definition, Nature and Theory

2 Power, Authority and the State Area Goals By the end of this area you should: • Be aware of Anthony Giddens’s conception of modernity • Have a critical understanding of the distinction that Max Weber made between authority and coercion • Have a critical understanding of the three types of legitimate rule outlined by Max Weber • Be familiar with the contribution of Michel Foucault ...
