### How to Send Text Messages From IBM i | IBM Systems Media

SMS marketing is already a big deal, but with mobile commerce on the rise, it's getting even bigger. According to Mobile Xco, 48.7 million people will choose to receive business SMS messages by next year, an increase of 23 percent from 2016. That's a lot of customers, and if your business taps into the power of SMS marketing, you can get in on a share of that revenue.
