Pyrox Heritage Manual In-built; Terrible quality heater! published 5 years ago. We had to replace our old heater and this one was recommended by the builder as it fit into the fireplace easily. It broke within a few months and the builder organised someone to come and replace a part.

## **Bonaire Pyrox Heritage Manual In-built | ProductReview.com.au**

Vulcan Heritage or Pyrox Heritage gas space heaters can pose significant safety risks by producing high levels of carbon monoxide (CO) under certain conditions. If a house is well sealed and the heater is operating at the same time as a kitchen or bathroom exhaust fan, CO from the heater can be drawn into living areas and accumulate at a deadly level.
