The Rise and Fall of the First Great Globalization 3. Why Doesn't Everyone Get the Case for Free Trade? 4. Bretton Woods, GATT, and the WTO: Trade in a Politicized World 5.

THE GLOBALIZATION PARADOX, by Dani Rodrik

The Globalization Paradox in a nutshell: A leading economist sounds a warning note over globalization's desirability and viability An enlightening history of world trade and economics over the last century Pinpoints the conflict of interests between democracy, national determination, and economic globalization Presents the case for a new type of globalization For a century, economists have driven forward the cause of globalization in financial institutions, labour markets, and trade.

The Globalization Paradox: Why Global Markets, States, and ...

Well-written, witty, crafted by an author who doesn't jump the "Freakonomics" shark, The Globalization Paradox reminds us that economists don't exist without data, and data comes, ultimately, from the vision and labor of those in the marketplace." - Robert Nersesian, New York Journal of Books

The Globalization Paradox: Democracy and the Future of the ...

Rodrik's 1997 book Has Globalization Gone Too Far? was hailed as one of the best economics books of that decade by Business Week, and was a forerunner to The Globalisation Paradox, in which Rodrik sets out the perils of financial globalization without any constraints, as he says perfectly evidenced by the most recent financial crisis and the rapid domino effect that it had around the world.

Book Review: The Globalization Paradox: Why Global Markets ...

Summary For a century, economists have driven forward the cause of globalization in financial institutions, labour markets, and trade. Yet there have been consistent warning signs that a global economy and free trade might not always be advantageous. Where are the pressure points?

[PDF] The Globalization Paradox Democracy And The Future ...

Rodrik points out that hyperglobalization, or "deep integration", fails because the world economy lacks the strong institutional support of robust domestic markets. For example, "there is no global anti-trust authority, no global lender of last resort, no global safety net, and no global democracy" (p. xvi).

Amazon.com: Customer reviews: The Globalization Paradox ...

This paradox is illustrated in what he calls the 'Globalisation Trilemma': countries cannot have national sovereignty, hyper-globalisation and democracy; they can only ever choose two out of the three. For many economists, he said, 'a market is a market'. However, this does not always tell the full story.

The Globalization Paradox: Why Global Markets, States, and ...

Global markets fall between national regulatory systems. One solution to this, historically, was mercantilism (P23). The first great era of globalization, prior to the First World War, Rodrik suggests, was down to a number of factors - new technologies played a major part, but so did a growing acceptance of Adam Smith's ideas, leading to a ...
