Free-Ebooks.net is a platform for independent authors who want to avoid the traditional publishing route. You won't find Dickens and Wilde in its archives; instead, there's a huge array of new fiction, non-fiction, and even audiobooks at your fingertips, in every genre you could wish for. There are many similar sites around, but Free-Ebooks.net is our favorite, with new books added every day.

## The Political Thought Of John

In a polemical concluding section, John Dunn argues that liberal and Marxist interpretations of Locke's politics have failed to grasp his meaning. Locke emerges as not merely a contributor to the development of English constitutional thought, or as a reflector of socio-economic change in seventeenth-century England, but as essentially a Calvinist natural theologian.

## The Political Thought of John Locke by John Dunn

John Dunn, *The Political Thought of John Locke* (Cambridge: Cambridge University Press, 1969). This study provides a comprehensive reinterpretation of the meaning of Locke's political thought. John Dunn restores Locke's ideas to their exact context, and so stresses the historical question of what Locke in the *Two Treatises of Government* was intending to claim.

## The Political Thought of John Locke - John Locke

This study provides a comprehensive reinterpretation of the meaning of Locke's political thought. John Dunn restores Locke's ideas to their exact context, and so stresses the historical question of what Locke in the *Two Treatises of Government* was intending to claim. By adopting this approach, he reveals the predominantly theological character of all Locke's thinking about politics and ...

John Locke (1632-1704) is among the most influential political philosophers of the modern period. In the Two Treatises of Government, he defended the claim that men are by nature free and equal against claims that God had made all people naturally subject to a monarch. He argued that people have rights, such as the right to life, liberty, and property, that have a foundation independent of ...

John C. Calhoun may be best known for his stature in the U.S. Senate and his controversial defense of slavery, but he is also a key figure in American political thought. The staunchest advocate of the consensus model of government as an alternative to majority rule, he proposed government not by one, by few, or by many, but by all: each key group enjoying veto rights over collective decisions.
